Sir:

**RESPONSE**

This is In response to the Office Action mailed on August 3, 2005. A Petition for Extension of Time of 2 months is attached.

Application Serial No. 10/664,052  
Response dated December 12, 2005  
Reply to Office Action of August 3, 2005

Applicant is hereby submitting a revised Declaration signed by two inventors and the executor of the third inventor who is deceased. This Declaration contains a statement as to applicants' belief that the original patent is wholly or partly inoperative or invalid, and, further, sets forth how claims 7-13 correct the errors from the earlier patented claims 1-6.

This case should now be in condition for allowance, and applicants accordingly request the same.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
